TECHNOLOGY
ON YOUR FINGERTIPS

At **Petrelplus Inc.**, we have sound infrastructure with the production unit, a well organized, professionally managed organization that has a very systematic set up both for productions well as handling our esteemed customers. We are proud to have the best chemist with our own laboratory in the industry. All the work is done in house, adding to the effective utilization of the resources. We have experience of three decades in this industry, keeping in mind the use of oil in all types of massive machinery.

Petrelplus lubricants greatly reduce friction, lubricant consumption rates and lubrication work, whilst prolonging the service life and availability of machinery. It has never been easier to save maintenance cost and resolve lubrication issues at the same time. We serve the best quality to Mining & Stone Processing Machine, heavy earth movers etc.

Petrelplus lubricants are recommended by **SDP Machines, Ajmer** as an **OEM** in their machinery & equipment.
