At **Petrelplus Inc.**, we have sound infrastructure with the production unit , well organized, professionally managed organizations that has a very systematic set up both for production as well as handling our esteemed customers. We are proud to have the best chemist with own laboratory in the industry. All the work is done in-house, adding to the effective utilization of the resources. We have experience of three decade in this industry, to keeping in mind about use of oil in all type of massive machinery.

**Petrelplus** lubricants greatly reduce friction, lubricant consumption rates and lubrication work, whilst prolonging the service life and availability of machinery. It has never been easier to save maintenance cost and resolve lubrication issues at the same time. We serve the best quality to Mining & Stone Processing Machine, heavy earth movers etc.

**Petrelplus** lubricants recommended by **Shri Bhagwati Machines Pvt Ltd.** as a **OEM** in their machineries & equipments.
